'Thai Street Cafe'

A B O U T U S

ChakriMy is the sister brand of Chakri Palace (est. 1999), serving authentic homestyle Thai comfort food. ChakriMy is brought to you by the same award-winning team behind Chakri Palace, ensuring the best quality and authenticity of Thai recipes, exactly the way you would find it in the vibrant street stalls and cafés of Thailand.

Our Top Signature dish is called "MAMA HOT POT". 'MAMA' means 'MUM' in Thai. This dish will give you the warmth of a mother's cooking welcoming you home. It will be served in a big pot of noodles with delicious ingredients such as prawns, crab meat, chicken strips and eggs. Another signature of ours is the "THAI NASI LEMAK". This dish takes nasi lemak to whole new level. It's combines our local favourite with a Thai touch, deep fried chicken served with spicy Thai sambal and mango salad.

Our chefs use fresh, local, seasonal produce to create innovative and classic dishes. For health reasons, all our dishes have no added MSG, additives or preservatives and are cooked with low cholesterol oil.

Whether you're just popping in for a plate of noodles or sharing a meal with friends and family, we welcome you and hope you enjoy our relaxed atmosphere.
